

THE CONFIDENCE TO RETURN TO A SAFE SCHOOL ENVIRONMENT

WE CARE
KEEPING YOU SAFER IN
UNCERTAIN TIMES

TSEBO

WE **DEVELOP** PEOPLE, TO **SERVE** PEOPLE, TO **UPLIFT** SOCIETY

Facilities Management. Remote Camps. Catering. Cleaning. Protection. Hygiene. Energy. Procurement.

Our priority at Tsebo Solutions Group is to support the education system with innovative new products and services that will allow children, students, teachers and lecturers to return to schools and other educational institutions safely and with their health and wellbeing at top of mind.

WHAT WE OFFER

With nearly 50-years' experience in providing responsible workplace management solutions, Tsebo is in the unique position of being able to roll out rapid COVID-19 specific solutions.

Our technical and non-technical service provision in Healthcare has earned us a familiarity in helping to curtail the spread of infectious diseases through rigorous operational health, safety and quality control systems and standards.

COVID-19 HOSPITAL-LEVEL CLEANING FOR SCHOOL FACILITIES

With our roots in the healthcare sector, Tsebo Cleaning and Hygiene Solutions is equipped to offer tailored services to help your organisation reduce the risks of spreading COVID-19, in line with recommendations from the National Institute of Communicable Diseases.

We offer full-service hygiene support for your staff and can deploy specialised COVID-19 teams to clean and disinfect buildings (pre- and during occupation).
